

Spring 2012 Workshops

Workshops are held at the University of Saint Mary - [Overland Park Campus](#), located at 11413 Pflumm Road in Overland Park, with the exception of **Free2Teach - Web 2.0 Tools for any classroom which is offered at our Main Campus in Leavenworth**. Workshop enrollment size is limited in order to provide the best possible learning environment.

Textbooks are required in one of the workshops. *Please purchase your text in advance in order to read the introduction and chapter 1 before the workshop.* The texts are at Amazon.com. Please check copyright years to ensure you purchase current editions.

To register, complete the attached form and payment and send by scan or fax to Joe Perez, admissions counselor: Perez80@stmary.edu, fax 913-345-2802, or by regular mail to the address at the top of the attached registration form.

For more information, please contact Gwen Landever, director of education programs, Overland Park Campus, at landever59@stmary.edu or (913) 319-3009.

January 27 & 28

Two Sessions

Friday 5pm-9pm and Saturday 9am-4pm

1 Credit Hour, \$100

TCHED 657C3W Comprehension Strategies that Work: Book study

When students use comprehension strategies, they enjoy a more complete, thoughtful reading experience. And best of all, they want to read more! This workshop examines instructional techniques to help students become more engaged readers.

- Recommended for grades K-6
- Required text: *Strategies That Work*, Stephanie Harvey and Anne Goudvis, second edition, 2007
- Instructor: Tracy Stokes – Literacy Coach, Reading Specialist, PD Trainer for Shawnee Mission School District

February 10 & 11

Two Sessions

Friday 5pm-9pm and Saturday 9am-4pm

EDUCW 643 Demystifying Fractions and Decimals

1 Credit Hour, \$100

The Common Core Standards for Mathematics require us to rethink what we know about fractions and decimals, including when, how, and what we teach our students. In this workshop, we will look at the Common Core Standards related to fractions and decimals from the primary grades through middle school. Along the way we will develop a better understanding of the fraction and decimal concepts and skills expected of students as well as instructional and assessment strategies for use in the classroom.

- Recommended for grades K-6
- Instructor-Dr. Debbie Schluben, K-12 Math Resource Specialist for Shawnee Mission School District

March 30 & 31

Two Sessions

Friday 5pm-9pm and Saturday 9am-4pm

EDUCW 639 Free2Teach - Web 2.0 Tools for any classroom

1 Credit Hour, \$100

(** Offered at the LV campus Education Department DePaul 12)

Come build up your tackle box of technology tools! Web 2.0 resources are known for being user friendly, appropriate for education, and best of all FREE! This session will explore and demonstrate various websites and tools that can be used for a variety of classroom projects that will engage your students and allow their creativity to shine. Appropriate for all grades and content areas.

- Instructor: Melinda Tilley-Curriculum Integration Specialist-Fort Leavenworth Schools
- Recommended for grades K-12

April 20 & 21

Two Sessions

Friday 5pm-9pm and Saturday 9am-4pm

TCHED 603 Classroom Management Strategies that Work

1 Credit Hour, \$100

This workshop will focus on creating a classroom environment where most behavior issues are taken care of because of the classroom climate established by the teacher. Join us to discuss new ideas, research-based theories and a look at tried and true best practices in establishing an environment conducive to all learners.

- Instructor: Lee Gruss, Middle School Instructor-Sacred Heart Catholic School
- Recommended for grades K-12
